## PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT (EIS) FOR NORTHWEST AREA WATER SUPPLY PROJECT IN NORTHWESTERN ND, NORTH DAKOTA

We have reviewed your April 7, 2006, letter.

The above referenced project will have no adverse effect on the North Dakota Department of Transportation highways.

However, if because of this project any work needs to be done on highway right-of-way, appropriate permits and risk management documents will need to be obtained from the Department of Transportation District Engineer, Kevin Levi at 701-328-6955.
